

In years 7, 8 and 9

Homework Timetable 2025-26

When: homework is set weekly in English, maths, science, languages and year 9 early entry. PHSCE homework is set half termly and homework is set every other week in all other subjects. Please use this timetable to identify which week to expect homework for non-core subjects. **What:** Homework plans can be found in the back of subject books. For most subjects students should use “*look, cover, check repeat*” to memorise the part of their knowledge organiser (KO) that the teacher has told them to. In maths and Year 7 science, students should complete their SPARx assignments. They should also be practising their music instruments and reading daily.

In years 10 and 11

When: homework is set weekly for all subjects except PHSCE which is set once a half term

What: For most subjects students will have a fortnightly knowledge organiser task and a fortnightly extended exam preparation task. For Maths students should complete their sparx maths assignment
